Positions held

2015-present	<i>University of Amsterdam</i> Assistant professor (tenured)
2013-2015	<i>University of Amsterdam</i> Postdoctoral fellow/lecturer
2012-2013	<i>University of British Columbia</i> Postdoctoral fellow
2008-2012	<i>University of Amsterdam</i> PhD candidate
2007-2008	<i>University of Amsterdam</i> Research assistant
2004-2005	<i>Max Planck Institute for psycholinguistics</i> Student assistant

Education

2008-2012	Ph.D., <i>University of Amsterdam</i> (cum laude)
2005-2006	M.Sc., <i>University of Amsterdam</i> (cum laude)
1998-2004	M.A. (<i>doctoraal</i>), <i>Radboud University Nijmegen</i>

Grants, awards, and funding

2018	Institute for Societal Resilience (ISR), VU University Recipient of grant (€16,500) on science scepticism in Europe.
2018	EASP Seedcorn Grant Recipient of grant (€2000) on science skepticism in Europe.
2017	BA/Leverhulme Small Research Grant Co-recipient of grant (£7000) on religion and insecurity.

- 2016 EASP Seedcorn Grant
Co-recipient of grant (€2000) on religion and insecurity.
- 2014 *AXA Research Fund*
Grant (€120,000) on threat compensation and risk seeking, 2014-2017.
- 2013 *Amsterdam Brain and Cognition Center*
Talent Grant (€75,000) to conduct research at the University of Amsterdam, 2013-2014.
- 2012 *Niels Stensen Foundation*
Stipend (€44,000) to conduct research at the University of British Columbia, Canada, 2012-2013.

Professional memberships

Associatie van Sociaal-Psychologische Onderzoekers (ASPO – board member)
European Association of Social Psychology (EASP – full member)
Kurt Lewin Institute (KLI – associate member)
Society of Experimental Social Psychology (SESP - fellow)
Society of Personality and Social Psychology (SPSP)

Reviewing

British Journal of Psychology, British Journal of Social Psychology, Cognitive Science, Group Processes and Intergroup Relations, International Journal for the Psychology of Religion, Journal of Applied Social Psychology, Journal of Experimental Social Psychology, Journal of Personality and Social Psychology, Motivation and Emotion, Personality and Social Psychology Bulletin, PLOS One, Psychological Science, Psychology of Consciousness: TRP, Public Understanding of Science; Social Cognition, Social and Personality Psychology Compass, Social Psychological and Personality Science

Conference presentations and talks

2019, March. Spiritual skepticism. Symposium paper presented at the International Convention for Psychological Science (ICPS), Paris, France.

2019, January. Referent in mini-symposium on vaccination rates in the Netherlands.

2018, June. Exploring the ideological antecedents of science acceptance and rejection. Invited talk at the Risk & Uncertainty Conference Amsterdam, Amsterdam.

2018, February. Evaluations of science and scientists. Invited talk at University of Bath, UK.

2018, February. Evaluations of science and scientists. Invited talk at Coventry University, UK.

2017, November. Evaluations of science and scientists. Invited talk at Birmingham City University, UK.

2017, July. Exploring the ideological antecedents of science skepticism. Symposium paper presented at the European Association of Social Psychology (EASP) conference, Granada, Spain.

2017, June. The ideological antecedents of disbelief in science and science skepticism. Invited talk at the *New Perspectives on Science and Religion in Society meeting*, Manchester, UK.

2017, June. Evaluations of science and scientists. Invited talk at Leiden University, The Netherlands.

2016, October. Order Overkill? A balance perspective on threat compensation. Symposium paper presented at the Society of Experimental Social Psychology (SESP) conference, Santa Monica, California, United States.

2016, July. Religion, conservatism, and rejection of science. Paper presented at the Annual Meeting of the International Society of Political Psychology, Warsaw, Poland.

2016, April. The functional value of perceiving order and control. Talk at the bi-annual Kurt Lewin Institute (KLI) conference, Zeist, the Netherlands.

2015, October. Intuitive morality judgments and moral stereotypes of scientists. Invited talk at Tilburg University, the Netherlands.

2015, June. Science as compensatory control. Invited talk at the *Control and Social Motivation Seminar*, Jagiellonian University, Krakow, Poland.

2015, April. Intuitive morality judgments and moral stereotypes of scientists. Invited talk at the *Breaking New Ground in the Science-Religion Dialogue Workshop*, University of Texas at Austin, TX, United States. [[link to talk](#)] [[link to interview](#)]

2015, April. Intuitive morality judgments and moral stereotypes of scientists. Invited talk at University of Kent, United Kingdom.

2015, March. Intuitive morality judgments and moral stereotypes of scientists. Invited talk at Groningen University, the Netherlands.

2014, December. The immoral landscape? Intuitive morality judgments of scientists. Paper presented at the annual ASPO conference, Groningen, The Netherlands.

2014, July. The appeal of stage theories in science. Symposium paper presented at the European Association of Social Psychology (EASP) meeting, Amsterdam, The Netherlands.

2014, April. Omgaan met willekeur (*Engaging randomness*). Invited talk at *ASPO Blits*, Amsterdam, The Netherlands.

2014, January. Finding compensatory order in science. Invited talk at the University of Salzburg, Austria.

2013, October. Finding compensatory order in science. Symposium paper presented at the Society of Experimental Social Psychology (SESP) conference, Berkeley, California, United States.

2013, October. Dat kan geen toeval zijn (*The psychology of superstition*). Invited talk at Zeeuws Museum, Middelburg, The Netherlands.

2013, April. De psychologische functies van wetenschap en (bij-)geloof (The psychological functions of science, religion, and superstition). Invited talk at the University of Amsterdam Psychology alumni network, The Netherlands.

2012, September. Step by step: Finding compensatory order in science. Workshop talk at the department of Psychology, *University of British Columbia*, Canada.

2012, May. Control-threat and compensation. Invited talk at the Motivation & Social cognition Lab of the *Fuqua School of Business, Duke University*, Durham, United States.

2011, October. Deus or Darwin: Randomness and belief in theories about the origin of life. Symposium paper presented at the Society of Experimental Social Psychology (SESP) conference, Washington D.C., United States

2011, July. Yes we can: Belief in progress as compensatory control. Paper presented at the European Association of Social Psychology (EASP) meeting, Stockholm, Sweden

2010, September. On cannibals and cutlery: Belief in moral versus technological progress as a shield against existential threat. Paper presented at the annual BPS Social Psychology Section conference, Winchester, United Kingdom.

2010, April. Belief in progress as compensatory control. Paper presented at the bi-annual Kurt Lewin Institute (KLI) conference, Zeist, the Netherlands.

2009, September. Control and belief in progress. Paper presented at the annual BPS Social Psychology Section conference, Sheffield, United Kingdom.

2008, December. Succes alleen is niet genoeg: Standaardverhoging en sociale vergelijking (Success alone is not enough: Standard raising and social comparison). Paper presented at the annual ASPO conference, Amsterdam, The Netherlands.

Chaired symposia

The Social Psychology of (dis-)belief in science. Symposium organized (with Steven Heine) at the European Association of Social Psychology (EASP) conference, Granada, Spain. July, 2017.

The Optimal Balance: Motivation and Behavior as a Function of Order and (un-)Predictability. Symposium organized at the Society of Experimental Social Psychology (SESP) conference, Santa Monica, California, United States, October, 2016.

Bridging evolutionary and motivational approaches to culture and cognition. Symposium organized (with Daniel Balliet) for the Kurt Lewin Institute (KLI) conference, Zeist, the Netherlands, April 2016.

Perceiving (dis-)order: Multiple perspectives on a fundamental motive. Preconference organized for the European Association of Social Psychology (EASP) conference, Amsterdam, The Netherlands. July, 2014.

Keeping grip: Coping with world changes through simplification. Symposium organized (with Femke van Horen) at the European Association of Social Psychology (EASP) conference, Amsterdam, The Netherlands. July, 2014.

Engaging disorder: Multiple perspectives on a fundamental motive. Symposium organized at the Society of Experimental Social Psychology (SESP) conference, Berkeley, California, United States. October, 2013.

Teaching

2017	University Teaching Qualification (Basiskwalificatie Onderwijs; BKO)
2018-present	Lecturer <i>Decision making 1</i> <i>(interdisciplinary bachelor)</i>
2017 - present	Lecturer and course coordinator <i>Applying Research Methods (ARM)</i> <i>(master)</i>
2016 - present	Lecturer and course coordinator <i>Cultural psychology</i>

(interdisciplinary bachelor)

- 2013 - 2016 Lecturer
Current debates in attitudes and decision making
(research master)
- 2015 – 2016 Lecturer and course coordinator
Measuring attitudes and behaviour
(master)
- 2013 - present Guest lecturer
Psychology of Religion and Spirituality
(bachelor)
University of Amsterdam & Radboud University
Nijmegen (2013-2016)
- 2006 - present Advisor
(Research-)master thesis, bachelor thesis, and
internship projects
- 2013 Coordinator
Experimentation practicum
(bachelor)
- 2010 – 2011 Teacher (practicum)
Kurt Lewin Institute graduate student workshop on
psychophysiological measures

Service, committees, and other:

- 2019 Member of *Vaccinatiealliantie*
- 2018 Board member of ASPO
- 2018 Remote referee European Research Council (ERC
Consolidator Grant)
- 2017-present Member of doctorate committees
University of Amsterdam, Radboud University
Nijmegen
- 2016-present Member of the Psychology Research Master
Curriculum Committee, University of Amsterdam
- 2016 Member of hiring committee for assistant professor
function, University of Amsterdam
- 2016 Member of the 2016 KLI conference program
committee

2015	Member of the ASPO conference program and organizing committees
2015-present	Member of the Psychology Research Master Thesis Committee, University of Amsterdam
2013	Member of doctoral dissertation reading committee, The University of Western Australia
2013	Member of the ASPO Yearbook editorial board
2012	Recipient of KLI certificate Completed the 4-year inter-university graduate teaching and training program provided by the Kurt Lewin Institute (KLI)
2010 and 2011	Member of the ASPO dissertation committee
2010 and 2011	Reviewer for the SPSP graduate student award
